Anecdotes of Authors

place in the world's bistory susceeding generabut his ropu arion was, doubtless, greater dur ing his own immediate lifetime chan it has been at any period since his death.

A mes: lau, hable instance of the conceit of authors is related in councellon with John Den us, the gramatic and critic. No one would deay him a maderate amount of genius, luntet us see what he c ided for himself, la the year 17.4, he wrote the ragedy of "Liberty Asserred," in which were many severe animadversions upon the Flench. So bish ac opini n did Dennis have or the stringeres in this play, that he was in constant fear of the enmay of the French nation. When the peace of Uracac was signed, poor Dennie was in mortal agency, and furried to his former patron, the great Doks of Marloorough, and besought the grourai not to allow him to be given up to the mercies of F ance. The duke asswered that he had no interest, but he thought D neis pent have no fear, because he times it had not bought it worth his while to to be recepted in the articles of peace, and he could not belo fancing that he had done almost as much damage to the French as Diesus filmself. At another time Dients was risking a gentlemen who resided at some point on the English chast. One day, as he was walking near the occap, toot in reverte, he happened to eith his eye sea ward, and there he saw a large ship, with all sail set, standing in toward the heach. A collected by the collected by sail set, standing in toward the beach. A thousand ideas rushed through his terrified brain. The vessel could be acce other than a french cruiser sent out to explure him, and his Techen cruiser sent out to explure him, and his Techen cruiser sent out to explure him, and his Techen cruiser sent out to explure him, and his Techen cruiser sent out to explure him, and his Techen cruiser and uniaundried and uniaundried colors and colors host, he thought, must be leagued with his

If we based our judgment of an author upon his own estimate of his powers, the history of our literature would be greatly thing id. A few writers hopestly underrate their productions, but by far the greater number place shogether too much importance upon what they say and what th y do. Although Shakespeare must have known that the jugment of his contemporaries in regard to his genius was absurd yet he could not have been aware to what high tions would assign him. On the contrary, Ban. Johnson held himself in two high estimation, While we, of the present day, allow him to be a "monarch in the realms of thought," wo do not place him at the head of the man or his age. Johnson soundly berated the public of his time for Lo: appreciating the gets of hought he scattered so profusely among them.
